B. Any agreement reached through the negotiations process provided by Civil Service Law shall be binding upon both parties for the duration of the Agreement, except when such agreements are in conflict with the law.

C. It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefor shall not become effective until the appropriate legislative body has given approval.

D. This Agreement will supersede any rules, regulations or practices of the Board and/or Administration which will be contrary to or inconsistent with its express terms.

1.05 Purposes

Both the Board and the Association recognize that the education of children is their mutual paramount consideration and that the education of children should be a continual process without interruption. The Association affirms that it will abide by Section 210 of the Public Employees, Fair Employment Act and the Laws of the State of New York in general.

The Board and the Association shall, within reason, make available to each other recommendations, data, and information in their possession which are directly pertinent to a topic under negotiation.

**ARTICLE II - STATUS, RIGHTS AND PRIVILEGES OF THE ASSOCIATION**

2.01 Association Time

A. Duly designated representatives of the Association shall be free to transact official Association business directly related to the administration of the Agreement on school property during the school day, providing there is no interference or conflict with assigned teacher responsibilities and duties.

B. When the President of the Association is a classroom teacher, the Building Principal, upon request, will excuse the teacher from assigned duties in order to attend to emergency and unforeseen Association matters. Should scheduling conflicts exist, the Building Principal will arrange for release from assignment as soon as possible thereafter. In developing the teaching schedule of the President-elect prior to the opening of the school year, the Building Principal shall schedule the President for no more than fifteen (15) teaching periods per week and no duties.

2.02 Association Communication

The Association may post notices of its legitimate activities on a faculty bulletin board in each school building. The Association may use the District mail service and teacher mailboxes for communications to teachers.

### 2.03 School Facilities

Subject to reasonable procedural requirements, the Association and its representatives are entitled to use school buildings for meetings and shall have access to District typewriters, duplicating machines, audio-visual equipment and computer time. All extra costs incurred in the operation and use of consumable items and equipment will be defrayed by the Association.

### 2.04 Agency Shop

The District shall deduct the agency fee from the salaries of all non-Association members of the bargaining unit and shall transmit the sum so deducted to the Association at the same time and in the same manner as dues deducted from the salaries of Association members.

The Association will provide the District with a copy of its refund procedure, with a list of members and non-members, and with the amount of dues to be collected at least ten (10) working days prior to the date of the first scheduled dues deduction of each year. The Association represents that it has established and will maintain a procedure which complies with the requirements of law.

The Association agrees to hold the Board harmless against claims arising out of the deductions and/or transmittal of agency fees where there is a final adjudication by a court or arbitrator or by PERB that said agency fee should not have been deducted and/or transmitted by the Association.

2.05 Right of Representation

Teachers shall have the right to be represented by the Association to negotiate collectively with the District in the determination of their terms and conditions of employment, and the administration of grievances arising thereunder.

2.06 Dues Deductions

Subject to reasonable procedural requirements, teachers may sign and deliver to the District assignments authorizing deduction of membership dues and assessments of the Association and the organization with which the Association is associated or affiliated. The Association agrees to hold the Board harmless against claims arising out of the deductions and/or transmittal of dues where there is a final adjudication by a court or arbitrator or by PERB that said dues should not have been deducted and/or transmitted by the Association.

2.07 Records and Reports

A. When a teacher is hired, promoted or transferred into or within a position listed in the Teachers' Salary Guide, the District will notify the Association in writing, giving name, address, position, rate of pay, certification status and assignment by November 1 of each year.

B. The Association shall certify to the District the names of its authorized representatives (and their alternates, if designated) and the District shall recognize no others.

**ARTICLE III - TEACHERS' BENEFITS AND RESPONSIBILITIES**

3.01 Curriculum Development

Recognizing the important role the professional staff plays in the development of education policy, the Board agrees to give full professional consideration and study to proposals

and suggestions for improvements in curriculum, staff development, and teaching methods and facilities received from the teaching staff. When a proposal endorsed by the Association is submitted to the Board's representatives, this proposal will be reviewed and a written reaction will be forwarded to the President of the Association.

### 3.02 Supervision

A. All classroom teachers, all special instructional personnel, and all special non-instructional personnel assigned to a school will be primarily responsible to the principal of that school. Special personnel who are assigned to more than one (1) school will be primarily responsible to the principal of the school in which they are working a particular time.

Appropriate central office personnel will be available to discuss any problems which may arise with persons who work in more than one (1) school.

B. In the event that the District's current organizational chart and lines of responsibility are revised by the Superintendent, he/she shall do so after written notice of such change to the personnel involved and the Association.

C. A teacher will have the right to have an Association member present at any meeting involving disciplinary proceedings.

### 3.03 Transfers and Advancements

A. Prior to the establishment of a new position or significant restructuring of a present position or positions, at least seven (7) calendar days' notice will be given to the President of the Association or his/her designated representative except when it is not practical to provide such notice, such as during the summer. No vacancy or new position in the administrative or teaching capacity in the District whether or not within the bargaining unit, will

be filled until the President of the Association or his/her designated representative has been given adequate notice of such vacancy and opportunity given for teachers to make application for such vacancy. Notice of such vacancy shall contain the basic requirements for consideration of the position. If such requirements are subsequently changed, adequate notice of the change shall be made simultaneously to the President of the Association and to all candidates.

B. Involuntary transfers shall be made after prior notice and the opportunity for the teacher involved to consult with the Superintendent.

#### 3.04 Professional Assistance

It shall be the responsibility of the District to relieve the professional teaching staff of non-teaching assignments and clerical duties to the extent consistent with sound educational practice and available financial and personnel resources. The necessary supporting assistance will be provided to assure such relief.

#### 3.05 Non-teaching Duties

A. New (i.e., not heretofore required) permanent non-teaching duties or responsibilities shall be added to the existing professional obligations of the teaching staff only after submission with prior notice to the Association through existing channels to the appropriate faculty group. In the event agreement is not reached by the faculty group concerned, the matter may be submitted for negotiation. Such negotiation, if needed, shall take place as soon as possible in order to implement whatever agreement is reached.

B. Teachers shall be employed for supervision of the secondary school cafeteria during lunch periods. They shall receive compensation as listed in Schedule C. In the event

volunteers are not forthcoming, supervision shall be assigned on a rotating basis with compensation.

### 3.06 Personnel Files

An Official Personnel File will be maintained in the Superintendent's Office for each teacher in the District. This file will be divided into two (2) sections. One (1) section will contain confidential information received from school placement offices, previous employers or other references. The second section will contain all other material to be included in the Official File, such as official evaluations and correspondence from members of the community.

This second section will be subject to review and response by the teacher involved. No material adverse to a teacher will be placed in the second section of the Official File unless the teacher has prior notice thereof. Any response filed by a teacher after reviewing same must also be included in the file, but no implication of any kind shall be drawn from failure to make such response. When a teacher requests a review of his/her Official File, such review will, under normal conditions, take place within a period of ten (10) days. Subject to reasonable procedural requirements, a teacher shall have the right to review his/her Official File during the normal school day and to request a copy of any document in the file.

### 3.07 Teacher Supervision and Evaluation

All individuals covered by this contract may be formally evaluated annually, in accordance with the procedures affixed to this contract as Schedule E, except as provided herein.

### 3.08 Service Credit - Military Service

Credit on the salary schedule for military service shall be given all teachers, including present teachers, for the length of such service, up to a maximum of three (3) years,

with additional credit for longer military service that has specific professional value to be granted at the discretion of the Board of Education, upon the Superintendent's favorable recommendation.

### 3.09 Workshop Attendance

A. When a workshop program has been approved by the Superintendent or his/her designee for service credit on the salary schedule, such credit will be given to all teachers completing that workshop. There shall be no limitation or quota with respect to such credits in the attainment of any salary step on the teacher's salary guide.

The full cost of workshops operated and provided by the District shall be paid by the School District.

Notice shall be given to each member of each workshop specifying credit given and the current status of salary credits within forty-five (45) working days of the completion of a workshop.

B. Whenever District-mandated programs involve training that takes place at times other than the regular school day, each participating teacher will be given the option of receiving in service salary guide credit or Twenty-Two (\$22.00) Dollars per hour.

C. Participation in approved Teacher Resource Center sponsored workshops will carry one (1) TRC credit for each hour of participation. Fifteen (15) such credits will be equivalent to one (1) salary guide credit on all salary columns.

### 3.10 Defense and Indemnity

The Board of Education shall save harmless and protect all teachers from financial loss arising out of any claim, demand, suit or judgment by reason of alleged negligence or other

act resulting in accidental bodily injury to any person, or accidental damage to the property of any person within or without the school building, provided such teacher at the time of the accident or injury was acting in the discharge of his/her duties within the scope of his/her employment and/or under the direction of such Board of Education.

Further, the Board of Education shall provide an attorney or attorneys and pay for such attorney's fees and expense necessarily incurred in the defense of a teacher in any civil or criminal action or proceeding arising out of disciplinary action taken against any pupil of the District while in the discharge of his/her duties within the scope of his/her employment, provided the teacher shall within ten (10) days of the time he/she is served with any summons, complaint, process, notice, demand or pleading, deliver the original or a copy thereof to the Board of Education.

The Board will make available its attorney for consultation with a teacher who has been assaulted.

The District shall reimburse teachers for damages to personal property, excluding automobiles, incurred in a physical altercation while the teacher was acting in the discharge of his/her duties within the scope of his/her employment up to a maximum of Two Hundred (\$200.00) Dollars per teacher per incident.

### 3.11 Calendar

A. The school calendar shall provide for one-hundred eighty-five (185) workdays for teachers, at least one hundred eighty-one (181) but no more than one-hundred eighty-three (183) of which shall be instruction days for pupils.

The yearly calendar shall be developed jointly by a representative of the MEA and a representative of the Superintendent. This calendar committee will recommend how the two (2) additional days in the calendar for each year shall be used. They may be used for instruction, in-service training, parent conferences and/or a Superintendent's conference day. If the representatives are unable to agree on a calendar by April 15 of the prior school year, the Superintendent shall develop the calendar, which shall not be subject to grievance and arbitration.

One (1) of the days may be a parent contact day starting at 6:00 p.m. and extending until 9:00 p.m. In this event, parents may make appointments to confer with individual teachers. Teachers would not be required to be in school until 6:00 p.m.

One (1) Superintendent's Conference day shall be scheduled after April 15 and will become a teaching day if a day is lost due to inclement weather.

B. The first day and last two (2) days of school shall be half days for elementary school students. The last day shall be a half day for teachers.

C. The District may designate one (1) or two (2) full days per school year, at least one (1) of which shall be in the fall semester, for elementary school parent conferences, and the administration shall make available to teachers additional time for parent conferences from church school time as needed.

D. Special Education teachers who have eighteen (18) or more children classified as handicapped students will have two (2) days release time within the first thirty (30) teaching days to carry out state-mandated and other duties.

### 3.12 Supporting Professional Personnel

Recognizing the importance of supporting professional services for the learning process, every effort will be made to provide personnel such as reading and speech specialists, guidance counselors, psychologists, special subject teachers and other specialists.

Proposals can be made by the teaching staff for the addition of supporting professional services personnel through existing professional channels as outlined elsewhere in this contract.

### 3.13 Central Register

A system of central attendance keeping will be continued on a uniform basis for all schools.

### 3.14 Class Size

The Board and the Association agree that moderate class sizes tend to produce teaching loads that enable teachers to be more effective. Therefore, reasonable effort will be made to maintain classes as the average of each range listed below, and not to exceed the class size maximums listed below.

### 3.15 Teaching Load

A. The District will make every reasonable effort to insure equitable distribution in the assignment of classes and other duties.

B. 1. The secondary school teacher week shall average thirty (30) assigned periods of which no more than twenty-five (25) may be assigned as classroom teaching periods and no more than five (5) may be assigned as non-teaching duty periods. It is understood that teaching duties such as supervision of media rooms, learning centers, remedial and enrichment education, team planning time, and other related activities may be substituted for non-teaching duty periods. This shall not include English teachers, who shall have twenty (20) classroom teaching periods and five (5) additional periods for small group remedial and/or enrichment instruction at their grade level(s). Effective July 1, 1997, the last sentence shall be revised to read: "This shall not include English teachers, who shall teach twenty regularly scheduled

periods and five additional periods for group projects, enrichment, remediation and/or other similar student-related educational instruction. The following guidelines shall apply regarding the additional periods:

- (a) Class sizes shall not exceed 12 students per period.
- (b) No teacher who is tenured in English as of the date of this Agreement shall be excessed as the result of the implementation of this 5<sup>th</sup> period.
- (c) Where possible, practical and appropriate to do so, students with the same common task shall be grouped together.
- (d) English teachers will be provided summer curriculum time during the summer of 1997 to assist in the preparation of the program.
- (e) Students will be assigned a grade for each class.
- (f) Rosemary Townley shall be the permanent arbitrator of any disputes that may arise with regard to the implementation of this 5<sup>th</sup> period.

2. No more than four (4) consecutive duty periods shall be assigned to a teacher.

3. The teacher daily student load in the academic subjects shall not exceed one hundred forty (140), except in General Science where the daily student load shall not exceed one hundred thirty-five (135).

4. Teachers with four or more academic preparations will be assigned a maximum of twenty-five (25) periods per week.

C. 1. Classroom teachers in grades K-6 will receive an average of five (5) preparation periods per week. The length of time of these preparation periods shall correspond to

the length of time provided for instruction by specials, and to the extent it is possible to do so the intent is to equalize those preparation periods to one (1) per day. Other teachers (art, music, physical education, computer, speech and language, reading/handwriting, special education, elementary science teachers, ESL and gifted/talented) shall have their preparation time divided throughout the school day to reflect the specialized needs of their schedules.

2. While the Interdisciplinary Team Program remains in effect in sixth grade, the District shall designate one (1) additional parent conference day for fifth and sixth grade teachers, which shall be used for additional parent conferences, team planning time, additional preparation time, and additional team time to consult with guidance counselors and other specialists. If the District implements a middle school program for the fifth or sixth grade, terms and conditions of employment for such teachers shall be subject to a negotiations reopener.

D. Elementary school teachers will have a break of ten (10) minutes after three (3) consecutive hours of supervision of students.

E. Whenever the District is unable to provide such preparation periods in the elementary schools or, subject to section 3.17B, if a teacher substitutes for another in the secondary school, the District shall compensate teachers at the rate of Twenty-Two (\$22.00) Dollars per hour (pro rated) for each such period missed. Teachers will not be compensated for prep time lost while on field trips or other legitimate released time activities.

F. The length of the elementary school lunch period, which is duty free, shall be fifty (50) minutes.

### 3.16 District Coordinators

Any tenured teacher who accepts a probationary appointment as a District Coordinator shall be given a leave of absence from his or her tenured teaching position for the duration of his/her probationary period, with the understanding that he/she can return to teaching at the District's or his/her option, at the beginning of any school year or the expiration of the leave of absence.

### 3.17 Teacher Responsibilities

A. It is understood that many teachers' responsibilities are not limited to hours on school premises. It is also understood that teachers will be on premises as reasonably necessary before and after the school day to meet their professional responsibilities. Teachers are expected to respond and assist in the control and supervision of students when problems arise at any time when the teacher is on school property or on a field assignment.

B. The MEA will encourage its members to cooperate with District Coordinators for emergency coverage of classes within their department. No member will be expected to cover more than two (2) such classes during the year without additional compensation as provided in section 3.15E. Teachers who volunteer to cover more than two (2) such classes, or who cover classes outside their department or in non-emergencies shall be paid as provided in section 3.15E. Emergency coverage will be defined as that needed for teachers who will be absent for two (2) periods or fewer.

C. Regular elementary classroom instruction time shall be six (6) hours twenty-three (23) minutes in grades 1 and 2, and six (6) hours twenty-eight (28) minutes in grades 3 through 6. The total teacher day for all elementary teachers shall be six (6) hours forty (40) minutes, from 8:20 a.m. to 3:00 p.m. at Shelter Rock, and from 8:50 a.m. to 3:30 p.m. at Munsey

Park. Effective July 1, 1997, the total teacher day for all elementary teachers shall be six (6) hours and forty (40) minutes, from not earlier than 8:00 a.m. to 3:30 p.m., except as provided in Section 3.17(E).

Student dismissal time for grades 1 and 2 shall be five (5) minutes earlier than for students in grades 3 through 6. Teachers in grades 1 and 2 will receive the same average preparation time per week as do teachers in grades 3 through 6 in the same school. The provisions of this paragraph concerning grades 1 and 2 shall also apply to Kindergarten should the District adopt a full day Kindergarten plan.

D. The normal secondary school teacher day shall be seven (7) hours, from 8:08 a.m. to 3:08 p.m., (effective July 1, 1997, from not earlier than 7:30 a.m. to not later than 3:30 p.m.), including a five (5) minute extension to period two for attendance taking and other activities, with the exception of some special classes such as Driver Education and the Marching Band. This change in starting and ending times effective July 1, 1997 is not intended to in any way affect the parties' present rights under contract and law with regard to 0 or 10<sup>th</sup> periods.

E. Effective July 1, 1997, and notwithstanding the provisions of Sections 3.17(C) and (D), guidance counselors, library media specialists, psychologists and social workers may be assigned, without increasing the length of their total teacher day of 6 hours 40 minutes on the elementary level or 7 hours on the secondary level, to work a flexible schedule. Implementation of the schedules for the 1997-1998 school year shall occur following consultation and agreement, which shall not be unreasonably withheld, among the affected employees and/or a representative of the MEA and the District. These schedules may commence not earlier than 7:00 a.m. and end not later than 5:00 p.m. or, on not more than two occasions per month, 7:00 p.m. Where

possible, notice of the following semester's flexible schedules shall be provided by the District by not later than June 15 (August 1 for the Fall semester of the 1997-1998 school year) for the fall and November 15 for the spring semester. Other modifications to the adopted schedule may be made on consent of the District, teacher and Association.

F. In the elementary schools, there shall normally be no more than two (2) general faculty meetings per month. Joint elementary school full faculty meetings will not be held due to the difference in ending times. Effective July 1, 1997 the second sentence shall be revised to read: "Joint elementary school full (K-6) faculty meetings will be held only after the District has notified the MEA of its intent to do so and the MEA has agreed to the meeting. The MEA's consent to holding the meeting shall not be unreasonably withheld. The burden of proof shall be upon the MEA to demonstrate the reasonableness of its refusal to agree to the District's request." This shall not preclude emergency meetings on dates not previously published, upon notification to the Union. With the exception of one (1) school week each month, the first school day of each week shall be the day for meetings. Meetings other than general faculty meetings can be held on such days. On the last school day of each month (except June), the building administration will publish and distribute an agenda for the next month's general faculty meeting(s) (inclusive of topics and personnel whose attendance is required). On the last school day of each week, the building administration will publish and distribute a complete agenda for the meeting scheduled the following week. In the event the published schedule cannot be followed, there will be no meeting. Meetings will begin no later than thirty (30) minutes after the end of the last scheduled class in that building and will continue for no more than one (1) hour unless extended by mutual consent.

G. In the secondary school, with the exception of one (1) school week each month, the first school day of each week will be reserved for faculty, grade level, department meetings, or any other meetings called by the administration. Up to two (2) of these meetings per month may be scheduled for the entire faculty of the school. These meetings will begin no later than thirty (30) minutes after the end of the last scheduled class in that building and will continue for no more than one (1) hour unless extended by mutual consent. The dates of all faculty meetings scheduled to be held in a month shall be published before the beginning of the month (except September). This shall not preclude emergency meetings on dates not previously published upon notification to the Union. An agenda shall be distributed to the staff in advance of all meetings.

3. Shall, prior to selection, interview, accept or reject candidates.

**ARTICLE IV - COMPENSATION AND BENEFITS**

4.01 Group Health Insurance Plans

A. Any new employee who works at least halftime and/or meets the State minimum requirements on a regular assignment may choose any one of the District health insurance plans on the first day of employment or within thirty (30) days thereafter without medical examination. Any employee applying after thirty (30) days may have to furnish proof of insurability.

B. The District shall pay 85% and each member shall pay 15% of the cost of the member's health insurance premiums.

C. The District shall have the option to select an alternative carrier which can provide benefits comparable to the Empire Plan at the time of the change, upon thirty (30) days' notice to the Association. In the event there is any issue or dispute between the District and the Association as to the comparability of the alternative carrier's plan, either party may submit the issue to arbitration, within such thirty (30) days, in accordance with the procedures of sections 5.04D and 5.05 of this Agreement. In the event that the matter is submitted to arbitration, the District shall not change carriers until the arbitrator has ruled.

D. The District will also provide optional health maintenance plans at a cost not to exceed its cost for the Empire Plan under paragraphs B or C.

E. As soon as practicable, the District shall offer teachers an optional health insurance package, the full cost of which is no greater than the District's then-current contributions for individual and family coverage for the Empire Plan or its equivalent under paragraph C. Participating teachers shall share forty (40%) percent of any cost savings which may enure to the District, as provided in section G below.

F. Members of the unit who, during the life of this Agreement, withdraw entirely from coverage paid in any part by the District, or reduce their coverage from family plan to individual plan, shall receive forty (40%) percent of the District's savings annually, based upon whether they were receiving individual or family coverage, provided they remain uncovered by such plan or higher cost plan for a period of twelve (12) consecutive months. Effective July 1, 1997, the payment shall be increased to 45% of the District's savings annually provided that at least 23 unit members are withdrawn from or have reduced coverage as of December 1 of each year. The payment shall be 50% of the District's savings annually if at least 25 unit members are withdrawn from or have reduced coverage as of December 1 of each year. These payments shall be made during June or December following the end of the twelve (12) month period and shall be made annually each twelve (12) months thereafter provided the member remains uncovered under the District's plan. Nothing contained herein shall preclude a member from re-entering the plan or resuming family coverage within the twelve (12) month period provided, however, that in the case of a member who re-enters in less than twelve (12) months no payment shall be made.

G. 1. Members of the unit may elect a plan no more frequently than once every six (6) months, with the exception that they may elect the Empire Plan with Enhancements

or Equivalent under paragraph C at any time. The foregoing is subject to any restrictions of the carrier and of the Empire Plan or Equivalent.

2. Members of the unit who elect a plan pursuant which they may be eligible to receive a portion of the District's cost savings, shall qualify for such payment provided that they remain in that plan for a period of twelve (12) consecutive months. These payments shall be made during June or December following the end of the twelve (12) month period and shall be made annually each twelve (12) months thereafter provided the member remains in the lower cost and the plan continues to generate premium savings. Nothing contained herein shall preclude a unit member from changing plans as allowed in the first paragraph of this section, provided, however, that in the case of a member who changes plans in less than twelve (12) months no payment shall be made.

#### 4.02 Benefits Trust Fund

A. The Association has created a Benefits Trust Fund to be established and maintained by the Association for the benefit of its members, in place of current District-provided life and/or dental insurance. The Benefits Trust Fund shall make benefits available to other bargaining units and to managerial/confidential employees based upon contributions by or on behalf of such employees.

B. The District shall contribute \$1000 each year per teacher to a Benefit Trust Fund to be administered by the Union. The Trust Fund contribution shall be in lieu of District payments for life insurance and dental insurance. Effective July 1, 1998, the contribution shall be \$1,075 per teacher.

The District shall have sole discretion to grant or deny such additional leave. The decision shall not be subject to the grievance procedure.

In the event of an extended illness, regardless of when in the calendar year it occurs, the employee will receive full pay for the first one hundred eighty (180) school days, and will be provided a disability program thereafter equal to two-thirds (2/3) of his/her gross salary at the time of disability but not to exceed Three Thousand Five Hundred (\$3,500.00) Dollars per month and Forty-Two Thousand (\$42,000.00) Dollars per year, for the duration of the extended illness or to the age sixty-five (65), whichever is first. Upon receiving benefits from the program, the employee shall retire when eligible and all retirement benefits including

any Social Security shall be offset against the disability payments. However, a teacher receiving disability pay and who is eligible to retire need not retire within the first two (2) years of extended illness. Any teacher who recovers from an extended illness or disability shall have the right to return to his/her regular assignment within two (2) years of the date the extended illness was determined to exist. If a teacher recovers from an extended illness after such two (2) year period, he or she will be given priority consideration for re-employment.

2. Extended illness shall begin whenever a physician determines that an individual must be absent from regular employment for an indeterminate, extended period of time, and shall terminate when the physician(s) determine that the individual is again able to return to regular duties. The District has the right to insist upon examination of the individual by a physician of its choosing. In the event that a conflict in diagnosis exists, a third physician agreeable to both parties shall be consulted, and his or her decision shall be binding on both parties.

Upon consultation with the staff member, the Superintendent will determine the specific number of days to be allowed. His/her decision shall be based upon the degree of responsibility of involvement of the staff member and the distance from his/her home. The five (5) day maximum may be extended at the discretion of the Superintendent in unusual circumstances.

A. For personnel placed on the Teachers' Salary Guide, differentials above the stated guide may be paid only for the following reasons:

Responsibility - A person who has responsibility for and authority over an activity may be paid a differential while he/she holds that responsibility.

Extra Work - A person who spends extra time doing work beyond his/her normal load may be paid a differential while he/she performs that extra work.

Distinguished Service - A person who performs his/her duties with unusual and outstanding competence and who has tenure status may be paid a differential of up to one Thousand (\$1,000.00) Dollars per year while his/her work is of such high quality.

B. The District may set criteria each year to offer any teacher that meets such criteria up to one (1) year's salary to encourage retirement or resignation and may offer a teacher a bonus of up to one (1) year's salary to delay a retirement by one (1) year. The granting or denial of such incentives shall be at the District's sole discretion and not subject to challenge in the grievance procedure or in any other form. The District shall notify the MEA president before any agreement between the District and a teacher under this paragraph is finalized.

#### 4.21 Competition

Temporary - A highly desirable incoming person who cannot be attracted by the salary available to him/her on a given step of the Teachers' Salary Guide may be paid a differential of up to One Thousand (\$1,000.00) Dollars per year for a period not in excess of five (5) years, and preferably for a shorter time.

Permanent - A highly qualified person trained for a specific field in which salaries are generally above those provided by the Teachers' Salary Guide may be paid a differential while salaries in the field remain above the Guide.

#### 4.22 Pay Procedures

A. The District will deduct amounts authorized by individual teachers from their pay and remit the amounts deducted to the teachers' accounts in the Nassau Educators' Federal Credit Union within five (5) days of payday.

B. The District shall provide for optional choice of carrier for tax-sheltered annuities.

#### 4.23 Mileage Rate

Reimbursement for use of private cars for school business or for transportation to educational meetings is made at the current IRS rate.

#### 4.24 Trips Within the District by Special Teachers

Car expenses will be paid only when teachers must travel from one (1) building to another within one (1) day and not when they are assigned to one (1) building for a whole day.

#### 4.25 New York City Trips

Teachers attending meetings in New York City will be reimbursed in terms of the cost of transportation by train and subway. Those teachers who drive will be paid the same amount as though they had gone by train, unless one (1) or more other staff members are taken as passengers to the same meeting.

#### 4.26 Student Field Trips

Teachers who accompany students on educational trips by public transportation will be reimbursed for the full amount of the fare. Overnight field trips in activities not otherwise paid on Schedules B or C shall be paid the same rate as the "Evening Chaperone Supervisor in Charge" (Schedule C) rather than the hourly "School Trip Chaperone" rate.

#### 4.27 Prior Approval

Prior approval by Central Administration is required for reimbursement of the above travel expenses.

### **ARTICLE V - GRIEVANCE PROCEDURE**

#### 5.01 Purpose

It is the policy of the Board and the Association that all grievances be resolved informally or at the earliest possible stage of this grievance procedure. However, both parties recognize that the procedure must be available without any fear of discrimination because of its use. Informal settlement at any stage shall bind the immediate parties to the settlement but shall not be precedents in a later grievance proceeding.

#### 5.02 Definitions

A. A "grievance" is an alleged violation of this Agreement or any dispute as to its meaning or application.

B. A "teacher" is any person in the unit covered by this Agreement.

C. An "aggrieved party" is the teacher or group of teachers who submit a grievance or on whose behalf it is submitted, the Association, or (when it submits a grievance) the Board.

#### 5.03 Submission of Grievances

A. Before submission of a written grievance, the aggrieved party must attempt to resolve it informally.

B. Each grievance shall be submitted in writing on a form approved by the Board and the Association and shall identify the aggrieved party, the provision of this Agreement

involved in the grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, and, if known, the identity of the person responsible for causing such events or conditions and a general statement of the grievance and redress sought by the aggrieved party.

C. A grievance shall be deemed waived unless the subject matter or the question involved has been called to the attention of the District in writing within thirty (30) school days after the aggrieved party knew or should have known of the event or conditions on which it is based. The period may be extended by mutual agreement.

D. 1. A teacher or group of teachers may submit grievances which affect them personally and shall submit such grievances to the Building Principal.

2. The Association may submit any grievance. If it is limited in effect to one (1) school, the grievance shall be submitted to the Building Principal; otherwise it shall be submitted directly to the Superintendent of Schools.

3. The Board shall present grievances to the President of the Association.

#### 5.04 Grievance Procedure

A. The Building Principal shall respond in writing to each grievance received. If an aggrieved party is not satisfied with the response of the Building Principal or if no response is received within one (1) calendar week after the submission of a grievance, such aggrieved party may submit a copy of the grievance to the Superintendent.

B. The Superintendent or his/her designated representative shall, upon request, confer with the aggrieved parties with respect to the grievance and shall deliver to the aggrieved

parties a written statement of his/her position with respect to it no later than two (2) weeks after it is received by him/her.

C. Within two (2) weeks after receiving a grievance from the Board, the President of the Association shall, upon request, confer with the Superintendent of Schools and shall deliver to the Superintendent of Schools a written statement of the position of the Association with respect to the grievance.

D. In the event the Association or the Board is not satisfied with the statement of the other with respect to the grievance, it may, within fifteen (15) days after receiving the statement, refer the grievance to arbitration by requesting that the American Arbitration Association propose the names of seven (7) arbitrators. A copy of such request shall be forwarded to the Superintendent of Schools or the President of the Association.

#### 5.05 Arbitration

A. Upon receipt of the names of the proposed arbitrators, a designee of the Superintendent and of the Association shall strike names from the list until one ultimately is designated as the arbitrator.

B. The arbitrator's decision will be in writing and will set forth his/her findings reasonings and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of the Agreement. The arbitrator shall have no power to alter, add to or detract from the provisions of the Agreement. However, his/her decision with respect to this Agreement will be binding on all parties.

C. The cost for the services of the arbitrator will be borne equally by the Board and the Association.

D. The election to submit a grievance to arbitration shall automatically be a waiver of all other remedies or forums which otherwise could be available, to the extent permitted by law.

**ARTICLE VI - DURATION**

This Agreement shall be effective from July 1, 1996, to and including June 30, 2001.

## **SCHEDULE C**

### **Interscholastic Sports**

Salaries shown below are based upon five (5) coaching sessions each week and three (3) coaching seasons, the lengths of which are established by the Nassau County Public High School Athletic Association (usually twelve (12) weeks in length). For those sports that are scheduled for only two (2) or three (3) sessions each week (e.g. bowling, golf, etc.) only the appropriate fraction of the salaries shown will be paid.

Middle School head coaches will be classed as assistant coaches in determining salaries. Middle School assistant coaches will be paid seventy-five percent (75%) of the salary rate paid to Middle School head coaches. When Middle School interscholastic sports are scheduled for four (4) coaching seasons, all Middle School head coaches and Middle School assistant coaches will be paid at the rate of eighty percent (80%) of their scheduled salaries, except football coaches, who will be paid one hundred percent (100%) of their scheduled salaries.

Upon the recommendation of the Athletic Director, Middle School head coaches and Middle School assistant coaches can be paid according to three (3) coaching seasons by assisting a varsity coach for two (2) weeks either before the start of or after the conclusion of their Middle School sport season.
